Subject: CALL FOR ABSTRACT: China and the World

To whom it may concern,

I hope this email finds you well.

On behalf of the British Postgraduate Network for Chinese Studies (BPCS), I would like to kindly ask you to circulate the information about the upcoming 2021 BPCS Annual Conference to your department, institute or network.

The BPCS is an academic network for the growing number of postgraduates, young scholars and early-career researchers in Chinese Studies at British universities, affiliated to the British Association for Chinese Studies (BACS). We hold a number of China-related events each year, with our Annual Conference being the main one, and the theme of the 2021 BPCS Annual Conference is 'China and the World: Challenges and Opportunities'. The conference is scheduled to be held online at Lancaster University from June 23 to 24, 2021.

It would be a great honour for us if staff members or students from your department, institute or network took part in the conference and shared their expertise on the topic with our participants.

The deadline for abstract submission is 30 April 2021.

Please find the attached document for more details and do not hesitate to contact me if you have any questions.

Thank you in advance for your time.

Sincerely,  
BPCS Committee
